

AC DELRAY RUSH TRAVEL SOCCER PROGRAM

Congratulations on being selected for the AC Delray Rush Competitive Soccer program for the 2024/25 season.

This packet contains important information regarding your child's soccer experience, Player/Parent contract, FYSA Ethics, Club ethics, Player codes, Uniform information, Practice scheduling and information regarding what's included in your registration fees.

PLAYER / PARENT CONTRACT;

Players are expected to honor their commitment to play with AC DELRAY RUSH for the entire seasonal year. **Accepting the position offered and completing the registration documents obligates the player/parent to pay the full club fee regardless of whether the player later decides to leave the club prior to the end of the seasonal year, which runs through May 31, 2025.

Travel Soccer Fees are non-refundable**

Information outlining program fees, payment options and club costs will be available to all registrants. Fees must be paid regardless of injury or the number of training sessions a player chooses to participate in. The program is 9 months in duration for U8-U10 and 10 months for U11-U18. All player passes will be validated upon receiving payment. Payments not received 7 days after the due date will result in a non-validated pass and interruption in the program. The pass will only be validated, and player privileges and participation restored, after payment is received.

****This is a premier competitive environment: there is NO guarantee of minimum playing time.****

Players shall abide by the AC DELRAY RUSH policy of not allowing players to guest play with other teams except with the express written approval of the Director of Coaching; the privilege of guest playing is contingent upon player's fees and financial obligations being fulfilled. Players may train and compete for multiple groups within the club based on ability, at the discretion of the Director of Coaching, coaches, and trainers.

Parents are prohibited from coaching their child from the sidelines or sitting on the player benches during training. To get maximum performance from players, we must limit distractions. Parents will sit away from the training sessions and refrain from interacting with players or coaches during training sessions. Your team's trainer may not always be your team's coach. The Director of Coaching will handle all training curriculums and instill the proper philosophies into our program that help further player development.

Players shall share in team expenses above and beyond the club fees to cover tournaments the team may participate in. These per player tournament expenses may include travel and hotel costs, coach expenses associated with attending these events, and any referees fees outside of agreed league play. Should the team, parent and/or player fund-raise or obtain charitable donations, those funds can be used to defray player or team expenses. These funds remain with AC DELRAY RUSH should the player decide to leave the club. All players are expected to participate in club fundraising events.

Should the player wish to be released (other than for a season ending injury, which will require a doctor's note, or a move out of area) or transferred to another club prior to the end of the seasonal year, the player/parents will be required to pay a release/transfer fee of \$500.00. In addition the player has to finalize all financial obligations with their club fees before a "Change of Status" will be considered.

Failure to fulfill financial obligations to AC DELRAY RUSH will result in the player being placed "Not in Good Standing" with both AC DELRAY RUSH and FYSA, which will result in the player's playing privileges being suspended until the obligations are fulfilled. This will also impact the player's ability to register in the future. Players (or their parent/guardian) shall assume all club and bank charges for returned (NSF) checks. Minimum club charge is \$25.00 per returned check.

Players and parents/guardians shall review and abide by the requirements of the AC DELRAY RUSH Player Code, FYSA Code of Ethics as well as the FYSA Poaching Rule. Players and parents/guardians shall act in a manner of respect at all practices, games, travel, etc, and serve as role models to others to maintain the integrity of ourselves, our team, and all of AC DELRAY. Players will conduct themselves in accordance with AC DELRAY RUSH, FYSA, US Club Soccer, USYSA, USSF, and FIFA rules at all times, or will be subject to disciplinary action including dismissal from club. The player/parent/guardian is responsible for any and all fines they may incur.

This release and hold harmless agreement does not apply to, nor shall it inure to the benefit of, any individual or entity that is not specifically associated with AC DELRAY RUSH as described above, whose negligence or intentional acts have resulted in injuries or damages to my child.

Jr. Academy Teams (U8)

\$1000 for the full season (9 months)

Players will train x2 per week with a professional coach and play in-house games in our recreation program.

Academy Teams (U9-U10)

\$1200 for the full season (9 months)

Players will train x2 per week with a professional coach and play in local leagues such as Palm Beach Soccer League and South Florida United League. Team travel will vary between PB County and Broward County. Some travel to Miami Dade may be required.

Elite Teams (U11-U18)

\$1400-\$2100 (Depending on the team level) for the full season (10 months)

Players will train x3 per week or the equivalent of 4 hours with a professional coach and play in local leagues such as Palm Beach Soccer League and South Florida United League depending on the level of the team. Team travel will vary between PB County, Martin County, Broward County and Miami Dade. Some of our Elite level teams will play in Statewide Competition if they meet the requirements.

All Payments must be made on the players/parents account on the club website, unless collecting for tournaments or fundraising.

Once tryouts are completed and offers sent out players must accept their roster spot in their account and complete payment.

In the event a team does not have the required players to field a team the club may merge two age groups creating a dual age group. For example a U17 team could be made up of 2008 (U17) and 2009 (U16) players.

Uniforms

*STYLES AVAILABLE IN YOUTH, MEN'S, WOMEN'S SIZES

Capelli Sport will continue to our uniform provider for the 2024/25 season and beyond in our partnership with Rush Soccer.

Uniforms will be available to order in mid July online with Capelli and each player will be required to purchase the Travel Uniform Package.

An update will be sent out to all parents once the ordering process is finalized.

League and Tournament Play

Each team will enter two “Seasons” throughout the year. Either Fall and Spring Season or Early and Regular Season depending on the format local leagues decide to adopt. AC Delray Rush will cover the entry fee’s for these two “Seasons” in either South Florida United Soccer League or Palm Beach Soccer League. If a team decides to enter any other leagues/tournaments the entry fee must be covered by the teams members. Referee fee’s are NOT covered and must be paid by each team depending on their age and number of games given by each league.

U8-U10 must play 7v7 in accordance with US Soccer

U11-U12 must play 9v9 in accordance with US Soccer

U13 + must play 11v11 in accordance with US Soccer

For teams playing U8-U12 it is important that players receive at least 50% playing time for each game to aid in their development. **However, this is not guaranteed, and the coach of the team makes the final decision. Things like practice attendance, attitude, punctuality, and effort are extremely important in competitive soccer. Each coach will consider all of the above and make a decision for games regarding playing time. Any questions about this subject MUST NEVER be brought up on game day. Parents must stay on the correct side of the field before, during and after games.** Players should arrive at least 45 minutes before the scheduled start time of each game. Players should also be prepared with both uniform sets for each game in case of a jersey color conflict with the other team.

Practices

Each teams practice will be 90 minutes unless stated otherwise. Each player should arrive 15 minutes early to the field in order to be ready for the session. The most important part of each practice is the first 45 minutes at U8-U12 as that is when the technical ball skills work is done. This is essential to your child's soccer development. Arriving just 10 minutes late to each session over the season means the player loses 12 hours of soccer! Each session typically will have a scrimmage at the end of around 20 minutes but that is left at the discretion of the individual coach.

Practice will start in Aug 2024 at Seacrest Soccer Complex when the city opens the fields for the new season. Practice schedules will be decided based on coaches availability, field space and will be available on the club website under the Travel Soccer Page.
